6:00 P.M.

I. CALL TO ORDER

- A. Moment of Silence & Pledge of Allegiance

II. MATTERS SCHEDULED FOR PUBLIC HEARING

- A. Conditional Zoning Ordinance Amendment; Rocky Top Court, SE: A public hearing will be held to consider a Conditional Zoning Ordinance Amendment for property located on Rocky Top Court, SE, Caldwell County Registry, Plat Book 16, Page 16, to amend the existing Rocky Top Planned Unit Development (PUD) to reduce the minimum front yard setback from 40' to 30' to better accommodate the existing topography.

Staff recommends approval and consistency statement supporting this request as follows: The proposed Conditional Zoning Ordinance is consistent with the adopted Comprehensive Plan because it entitles the lots in the Rocky Top subdivision to efficiently use the existing lot layout for house construction. It does not change the character of the neighborhood as built, and enables the existing homes to be legally conforming to the zoning standards. This area is identified as Existing Medium Density Residential on the Future Land Use Map, and this proposal meets that designation. The proposed Conditional Zoning Ordinance is reasonable and in the public interest because it relaxes regulation for residential construction and makes more efficient use of the City's existing infrastructure investments.

CITY OF LENOIR**COUNCIL ACTION FORM: February 15, 2022****I. Agenda Item:**

CZ-7/22: Conditional Zoning Ordinance Amendment for the Rocky Top Subdivision off Hibriten Drive

II. Background Information:

The applicant is requesting to amend the existing Rocky Top Planned Unit Development (PUD) to reduce the minimum front yard setback from 40' to 30' to better accommodate the existing topography. The Rocky Top PUD is a "legacy" Special Use District, that transitioned to a Conditional Zone upon the adoption of the NCGS Ch. 160D updates in July 2021.

See attached staff report for the analysis and consistency statement supporting this request.

III. Staff and Planning Board Recommendation:

Approval of the conditional zoning amendment based on the following consistency statement:

The proposed Conditional Zoning Ordinance is consistent with the adopted Comprehensive Plan because it entitles the lots in the Rocky Top subdivision to efficiently use the existing lot layout for house construction. It does not change the character of the neighborhood as built, and enables the existing homes to be legally conforming to the zoning standards. This area is identified as Existing Medium Density Residential on the Future Land Use Map, and this proposal meets that designation. The proposed Conditional Zoning Ordinance is reasonable and in the public interest because it relaxes regulation for residential construction and makes more efficient use of the City's existing infrastructure investments.

AN ORDINANCE OF THE CITY COUNCIL OF LENOIR, NORTH CAROLINA, DESIGNATING THE ENTIRE ROCKY TOP COURT SUBDIVISION (PB 16; PG 16), GENERALLY LOCATED SOUTHWEST OF WILKESBORO BLVD, NORTH OF MCLEAN DRIVE, AND EAST OF HIBRITEN DRIVE, AND COMPRISED OF 6.5 ACRES, MORE OR LESS, AS CONDITIONAL ZONING DISTRICT #7 (CZ-7) ON THE CITY’S OFFICIAL ZONING MAPS; DIRECTING AMENDMENT OF THE OFFICIAL ZONING MAP; PROVIDING FOR SEVERABILITY, AND AN EFFECTIVE DATE.

Whereas, at its regularly scheduled meetings of January 24, 2022, the Lenoir Planning Board considered zoning application case number CZ-7, requesting the Conditional Zoning district designation, for approximately 6.5 acres of land, described by the legal description attached to this ordinance as **Exhibit “A”** (hereinafter the “Property”); and

Whereas, many of the lots have existing steep topography in the rear, and applying the current 40’ front setback limits the feasibility of construction – resulting in lots still vacant after 30 years or houses that were accidentally built encroaching into the front setback area, which the proposed CZ ordinance would legalize; and

Whereas, the property was approved as a Special Use District in 1994 (SUD-6/7-93), and under S.L.2019-111(2)(b), any SUD that was valid and in effect on January 1, 2021 was automatically deemed to now be a Conditional Zoning district, which technically makes this request an amendment to a Conditional Zoning district; and

Whereas, this ordinance is intended to repeal and replace all former approvals for the Rocky Top development, and as such all former conditions of approval and the previously approved concept plan have been incorporated into this ordinance; and

Whereas, based upon the evidence presented to the Lenoir Planning Board, including the information and analysis contained in the staff report for application case number CZ-7, and subject to certain conditions, the Lenoir Planning Board recommended that the Lenoir City Council approve said conditional zoning application and adopt an ordinance in accordance therewith; and

Whereas, the Lenoir Planning Board has found that approval of the application is consistent with the City’s adopted Comprehensive Plan because it entitles the lots in the Rocky Top subdivision to

efficiently use the existing lot layout for house construction. It does not change the character of the neighborhood as built, and enables the existing homes to be legally conforming to the zoning standards; and

Whereas, the Lenoir City Council hereby finds that this ordinance is consistent with the intent and purpose of the Conditional Zoning designation as established by Appendix A, Article V, Section 502, Lenoir City Code; and

Whereas, the Lenoir City Council hereby finds and declares that this ordinance and these amendments are in the best interest of the public health, safety, and welfare because it relaxes regulation for residential construction and makes more efficient use of the City's existing infrastructure investments; and

NOW, THEREFORE, LET IT BE ENACTED BY THE CITY COUNCIL OF THE CITY OF LENOIR, NORTH CAROLINA, AS FOLLOWS:

SECTION 1. ZONING. After due notice and public hearing, and pursuant to part Appendix A, Article XIV of the Lenoir City Code, and other relevant portions of the Lenoir City Code, the zoning designation for the Property is hereby changed from the R-15/S-1 district to Conditional Zoning district on the City's Official Zoning Map (to be denoted as "CZ-7"), as depicted in Exhibit "B" to this ordinance.

SECTION 2. OTHER DEVELOPMENT LAWS. Except as expressly provided otherwise by this ordinance, the CZ-7 zoning district remains subject to all applicable federal, state, and local laws, and nothing in this ordinance shall be construed to exempt the Property from the lawful authority or jurisdiction of any federal, state, or local agency.

SECTION 3. DEFAULT ZONING DISTRICT. Except as expressly provided otherwise by this ordinance, the Property shall be governed by the land development regulations of the R-15 Single Family zoning district.

SECTION 4. SPECIAL CONDITIONS. The Conditional Zoning district for the Property is subject to the following special conditions:

1. **Concept Plan.** Subject to any modifications expressly contained in the text of this ordinance, development and maintenance of the Property must be consistent with the concept plan attached to this ordinance as Exhibit "B" (hereinafter the "Concept Plan"). In the event of a conflict between the text of this ordinance and the Concept Plan, the text of this ordinance shall control. References in this ordinance to lots, parcels, buildings, phases, and other development features refer to such features as identified on the Concept Plan.
2. **Variances.** Zoning variances to the standards of the default zoning district not modified by this ordinance may be approved pursuant to the procedures set forth in Appendix A, Article XIII, Section 1312.1 of the Lenoir City Code.
3. **Modification.** The special conditions specific to the CZ-7 zoning district may only be modified by application for a zoning map amendment following the procedures outlined in Appendix A, Article VIII, Section 820 of the Lenoir City Code.

4. **Permitted/Special Uses.** All uses permitted within the R-15 zoning district, and single-family attached dwellings, when no more than two units are attached except when separated by garages (see Concept Plan).
5. **Minimum Setbacks.**
 - a. The front setback shall be 30 ft. from the edge of the right-of-way
 - b. The side setbacks shall be 15 ft for detached structures. The side setback for attached dwellings is 0 ft., except where the adjacent lot is not an attached dwelling lot, in which case the setback is 15 ft.
 - c. The rear setback is 30% of total lot depth.
6. **Special Conditions Originally established under SUD-6/7-93:**
 - a. Not more than 14 dwellings units be permitted.
 - b. That attached dwelling units not exceed 2 as presented on said plan.
 - c. No unit, exclusive of decks, porches, garages containing less than 1,500 square feet.
 - d. A home owner association be established, approved by the City Attorney and recorded in relation to said development.
 - e. Lots not developed as single-family attached shall meet all requirements under the R-15 (Single Family Residential). Whereas this may require redesign by property owner(s) and approval of City Council, no lot may be resubmitted for single-family attached.

SECTION 5. PREVIOUS APPROVALS NULL AND VOID. All previous approvals for the Rocky Top PUD are hereby repealed and replaced by this ordinance.

SECTION 6. SEVERABILITY. If any provision of this ordinance or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this ordinance are severable.

SECTION 7. EFFECTIVE DATE. This ordinance takes effect upon adoption.

DONE, THE PUBLIC NOTICE, in a newspaper of general circulation in the City of Lenoir, North Carolina, by the City Clerk of the City of Lenoir, North Carolina, this 4th day of February and this 11th day of February, 2022.

“LEGACY” SPECIAL USE DISTRICTS: TRANSITIONING TO A CONDITIONAL ZONE

In 2015, the City of Lenoir amended the Zoning ordinance to remove Special Use Districts (SUDs) and add the legislative zoning tool “Conditional Zoning” (CZ) instead. Under the old ordinance, Special Use Districts were applied as overlay districts, and all uses within an SUD overlay were “Special Uses.” As soon as the legislative SUD overlay was approved (usually within the same meeting), a quasi-judicial “special use permit” could be approved for whatever use the applicant was requesting that wasn’t allowed under the conventional zone. The process was confusing and often not followed properly (for example, there is no record in the minutes that a SUP for Rocky Top was ever adopted, even though the SUD alone was insufficient to approve the requested attached dwellings.) With Conditional Zoning, all aspects of a proposed development are addressed within a single legislative action, and modifications to development standards and permitted uses are memorialized with a recorded ordinance — it’s flexible, transparent, and much simpler for staff, the Planning Board, the City Council, the applicant, and the public to understand.

With N.C.G.S. Chapter 160D now in full effect, SUDs are eliminated state-wide, in favor of Conditional Zoning. When Lenoir eliminated SUDs in 2015, the ordinance specified that all existing SUDs were still valid, but that new SUDs weren’t allowed. The legislature took this a step further. Under S.L.2019-111(2)(b), any SUD that was valid and in effect on January 1, 2021 was automatically deemed to now be a Conditional Zoning district.

This automatic converting of all of Lenoir’s “legacy” SUDs/SUPs into CZ districts highlights the confusion over the process — Conditional Zoning districts are ruled by the written, agreed-upon parameters of a concept plan and written ordinance. But Lenoir’s legacy SUD/SUP approvals typically were not reduced to writing in the form of a final ordinance or permit, outside of the motion of approval in the Council minutes. Sometimes conditions were stated in the motion, but most times they were not — motions refer back to approving projects “as presented.” Therefore, staff relies on case notes and site plans to piece together conditions and approvals. For the legacy cases that were built-out and have been operating without incident since then, the distinction of being an “SUD” or a “CZ” is immaterial — these established uses are now part of the community fabric (essentially “grandfathered”), and the technicalities behind their zoning approvals rarely, if ever, come up.

Staff is working on updating the Official Zoning Map to designate all active SUDs/SUPs as CZ-L (for “legacy”). These CZ-L districts would not have ordinances in place, but rather would rely on whatever documentation was in the record for the SUD/SUP approval. If/when amendments are proposed to CZ-L districts, staff should work with the owner to reduce past approvals and proposed changes into a written ordinance with a definitive concept plan, and it should be considered essentially like an “amended and restated” CZ ordinance. When adopted, the new CZ ordinance would then supersede/replace the previous approvals and will be recorded with the Register of Deeds. This is the approach proposed for the subject of this report.

BACKGROUND AND ANALYSIS

Intent of Conditional Zoning

The City of Lenoir’s Zoning Ordinance establishes an official zoning map/atlas for the City of Lenoir. The zoning map may be amended from time to time by the City Council when public necessity, convenience, general welfare, or good zoning practice justifies the amendment. Conditional Zoning is intended for use in unique development scenarios when a development proposal does not fit into a conventional zoning district, but may be desirable and compatible with an area depending on the specific details of the project and its surroundings. The conditional zoning process gives the City sufficient flexibility to determine whether a specific project on a given site will be compatible with the environment and the Comprehensive Plan.

In considering a request for a Conditional Zoning District, the Planning Board and City Council may approve conditions or use limitations that are mutually agreeable to the applicant, property owner, and the City, thereby establishing a realm of acceptability for the particular use that will be neither arbitrary nor capricious, and will address the interests of the landowners, neighbors, and the public. Conditional Zoning is a legislative process requiring the Planning Board to review and make a recommendation to the City Council on the request. Each Conditional Zoning district is adopted as an ordinance and is recorded with the Register of Deeds.

BACKGROUND AND ANALYSIS

Subject and Surrounding Properties

The Rocky Top development is located on the northeast side Hibriten Drive, about a quarter mile south of Wilkesboro Blvd, and is zoned R-15. Currently, there are 12 lots in the subdivision (originally platted as 14 lots, some were re-combined), developed with 6 single family homes (2 attached and 4 detached). A 7th home is under construction on lots 4-5 (owned by the applicants). The lots on the west side of Rocky Top slope off steeply towards the rear, and have remained vacant for many years.

The surrounding area is also zoned R-15. Directly east of Rocky Top is a pasture tract, zoned R-20. Across from the Rocky Top entrance are low-density residential houses. Nearby is the entrance to Woodridge Estates, another R-15 zoned subdivision.

Rocky Top Planned Unit Development (PUD) History

In 1994, the subject properties were approved as a Planned Unit Development (PUD) for attached single family development through the Special Use District process (SUD-6/7-93). The approved plan showed Rocky Top Ct. as a cul-de-sac with a 40' wide right-of-way, and 14 lots developed in a pattern often referred to as "semi-detached" because each dwelling unit shares only one wall of living space with another unit — garages are staggered such that garage-meets-garage on alternating property lines. The front setbacks for the attached units are shown on the site plan as 40' from the right of way, and the recorded plat states the front setbacks as 40' from the right of way or 60' from the centerline (which is the same distance). While some of the discussion in the record implies that the SUD approved lesser setbacks for the attached units, the front setbacks are consistent with the standards of the R-15 zone.

Only two lots (9 & 10) were developed as attached units — the remaining lots were either developed with detached single family homes, or remain vacant. Many side-by-side lots have common ownership, representing possible infill opportunities in the future, even if the current owners intentions are to reserve that space for their private yards.

The final approval for the Rocky Top PUD contained the site plan on Page 7 of this report, and the following conditions:

1. Not more than 14 dwellings units be permitted.
2. That attached dwelling units not exceed 2 as presented on said plan.
3. No unit, exclusive of decks, porches, garages containing less than 1,500 square feet.
4. A home owner association be established, approved by the City Attorney and recorded in relation to said development
5. Lots not developed as single-family attached shall meet all requirements under the R-15 (Single Family Residential). Whereas this may require redesign by property owner(s) and approval of City Council, no lot may be resubmitted for single-family attached.

Proposed Amendment

The applicant obtained a zoning permit to build a house from the Planning Department in May 2021 (ZP 2021056). The zoning permit lists the R-15 setbacks as 40' the front property line and 15' from the side property line. However, once the foundation and framing on the house was done, the applicant obtained a survey for financing purposes. The survey revealed that the house encroached into the front setback 5' along the front and increasing along the cul-de-sac frontage to 9' (see survey on page 6). The builder stated that he had used the recently constructed house on lots 1-2 as a point of reference when siting the foundation. Staff measured the setback on that home, constructed in 20XX, at approximately 35' from the right-of-way, encroaching ~5' (the zoning permit for that house also clearly stated the setback as 40').

The proposed amendment would reduce the front setback from 40' to 30', accommodating the existing encroachments and facilitating the remaining lots to be developed within the constraints of the terrain. It would also allow for changes over time to existing homes built at 40' — front porches, additional living space, etc. No other changes are proposed.

Neither home appears out of place within the context of the rest of the development, and the 40' wide right-of-way provides additional distance between the curb and the houses. Given the original development concept for attached dwellings, which often are located closer to the street, and the steep terrain, reduced setbacks would have made sense for the original approval and likely would have resulted in development long before now.

BACKGROUND AND ANALYSIS

Proposed Conditional Zoning District: CZ 7 Specific Standards

Special conditions proposed for CZ-7 ordinance:

1. **Base Zoning.** Base zoning district is R-15. Any development standards not specifically addressed in the Conditional Zoning Ordinance will default to the R-15 zoning district.
2. **Permitted Uses.** All uses permitted within the R-15 zoning district, and single-family attached dwellings, when no more than two units are attached except when separated by garages (see Concept Plan).
3. **Minimum Setbacks.**
 - Front (measured from the edge of the right-of-way): 30 ft.
 - Side (for detached dwellings): 15 ft.
 - Side (for attached dwellings): 0 ft., except where the adjacent lot is not an attached dwelling lot, in which case the setback is 15 ft.
 - Rear: 30% of total lot depth
4. **Special Conditions Originally established under SUD-6/7-93:**
 - a. Not more than 14 dwellings units be permitted.
 - b. That attached dwelling units not exceed 2 as presented on said plan.
 - c. No unit, exclusive of decks, porches, garages containing less than 1,500 square feet.
 - d. A home owner association be established, approved by the City Attorney and recorded in relation to said development
 - e. Lots not developed as single-family attached shall meet all requirements under the R-15 (Single Family Residential). Whereas this may require redesign by property owner(s) and approval of City Council, no lot may be resubmitted for single-family attached.

Consistency with the Comprehensive Plan/Reasonableness of Amendment

When adopting or rejecting any zoning amendment, City Council must adopt a brief statement describing whether or not the action is consistent with the City's Comprehensive Plan, in accordance with G.S. 160D-605(a), and must also address the reasonableness of any proposed map amendments. Staff offers the following draft statement on the consistency and reasonableness of the request.

The proposed Conditional Zoning Ordinance is consistent with the adopted Comprehensive Plan because it entitles the lots in the Rocky Top subdivision to efficiently use the existing lot layout for house construction. It does not change the character of the neighborhood as built, and enables the existing homes to be legally conforming to the zoning standards. This area is identified as Existing Medium Density Residential on the Future Land Use Map, and this proposal meets that designation. The proposed Conditional Zoning Ordinance is reasonable and in the public interest because it relaxes regulation for residential construction and makes more efficient use of the City's existing infrastructure investments.

STAFF RECOMMENDATIONS

Staff recommends approval of the proposed rezoning to Conditional Zoning District (CZ-7) with the conditions outlined in this report.

PLANNING BOARD RECOMMENDATIONS

B. ITEMS FOR COUNCIL ACTION

SELECTION OF AUDITOR & CONSIDERATION OF FY2021-22 AUDIT CONTRACT WITH C. RANDOLPH,

CPA, PLLC:

1. With the pending retirement of our current City Auditor S. Eric Bowman, CPA, from governmental auditing, City Council will consider the selection of C. Randolph, CPA, PLLC, as City Auditor and further consider approval of an Audit Contract for fiscal year ending June 30, 2022 with C. Randolph, CPA, PLLC, in the amount of \$14,000.00.

During the transition, S. Eric Bowman, CPA, will continue to make year-end entries, adjust balance sheet accounts, provide all work papers to the new auditor, and prepare draft financial reports including grant schedules, with a fee of \$34,000.00. City Staff recommends approval of the above listed recommendations as submitted.

A copy of the Audit Contract with C. Randolph, CPA, PLLC, and the Letter of Engagement as submitted by S. Eric Bowman, P.A., is hereby incorporated into these minutes by reference. (Refer to pages 32-40.)

City Manager Hildebran reiterated the City's current auditor, S. Eric Bowman, PA, is no longer offering governmental accounting services. Mr. Hildebran stated Finance Director Donna Bean mailed out seven proposals to area accountants and received only two responses back with C. Randolph, CPA, PLLC, being the low bidder. Mr. Hildebran further stated C. Randolph, CPA,

PLLC, does business with Watauga County, the Town of Hudson, Caldwell Community College and Technical Institute Foundation and Caldwell Hospice.

Councilmember Perdue asked for additional clarification regarding what services the \$34,000 fee provides from Mr. Bowman's firm and asked if this would be an annual fee or for only one year.

Finance Director Bean replied the audit contract is for three years and the service fee of \$34,000 as submitted by Eric Bowman is for one year.

Councilmember Stevens stated more and more CPA's are getting out of the attestation services because of the requirements it puts on their practices are extensive and expensive. To begin with, not all CPA firms that offer attestation services offer governmental accounting services. Therefore, the pool of firms offering governmental attestation services is getting smaller.

Mr. Stevens also asked what the City's total accounting cost was for FY2021. Finance Director Bean reported the amount was between \$55,000.00 to \$56,000.00.

Following a brief discussion and upon a motion by Councilmember Prestwood, Council voted 6 to 0 to approve the Audit Contract with C. Randolph, CPA, PLLC, in the amount of \$14,000.00 and to approve S. Eric Bowman, P.A., to continue to making year-end entries, adjusting balance sheet accounts, providing all work papers to the new auditor, and preparing draft financial reports including grant schedules, with a fee of \$34,000.00 as submitted and as recommended by City Staff.

SYMPATHY EXTENDED;

ZACK POYTHRESS FAMILY:

2. City Council and City Staff extended condolences to Police Officer Zack Poythress and his family due to the loss of his parents this past week. Mayor Gibbons asked everyone to keep the Poythress family in their thoughts and prayers during this difficult time.

BLACK HISTORY

MONTH: 1. Mayor Pro-Tem Crissy Thomas reported that February is Black History Month and thanked City Staff for posting information about this notable event. She also shared that short video clips about black history would be viewed by students in the school system and remarked that great things are happening in the community.

In addition, Ms. Thomas stated two virtual events are scheduled to be livestreamed on the City's Facebook page on Saturday, February 5 in honor of Black History Month.

APPOINTMENT: CITY COUNCIL

VACANCY:

2. Mayor Gibbons announced that City Council will select and appoint an individual to fill the vacancy created by the resignation of former Councilman Ben Willis and serve the balance of the term. The oath of office will be administered to the successful individual at the February 11 Strategic Planning Retreat.

Mayor Gibbons then asked City Councilmembers for nominations for the vacant position.

Councilmember Perdue stated he along with City Council, reviewed everyone's resume and experience, and emphasized this was a critical decision for Council due to how much former Councilman Willis accomplished during his tenure on Council. However, he stated that after careful thought and consideration, City Council recommends Mr. Kent Greer to fill the vacant seat and to serve a two-year term.

There being no additional nominations by City Council, Mayor Gibbons closed the nominations.

Motion

Upon the recommendation and motion by Councilmember Perdue, Council voted 6 to 0 to appoint Mr. Kent Greer to fill the vacant Council seat until November 2023 that was created by the recent resignation of Councilman Ben Willis and to serve a two-year term.

On behalf of City Council, Mayor Gibbons congratulated Mr. Greer upon his appointment and stated Council was looking forward to working with him. Mayor Gibbons said Mr. Greer will take his oath of office at the February 11 Strategic Planning Retreat to be held at the Community Room of Blue Ridge Energies.

Mr. Greer thanked City Council for their vote and support and remarked he was very humbled by their decision.

Mayor Gibbons thanked all of the remaining candidates for being a part of this process and stated Council appreciates their interest and commitment in wanting to be involved with local government. Mayor Gibbons also reminded the candidates of the opportunity to also serve on one of the City's Authorities, Boards and Commissions and stated applications were available on the City's website.

STATE OF NORTH CAROLINA

COUNTY OF CALDWELL

LEASE AGREEMENT

This Lease Agreement, made and entered into this ____ day of _____, 2022, by and between CITY OF LENOIR, a North Carolina municipal corporation of Caldwell County, North Carolina, (hereinafter called "Lessor"), and BERNHARDT TRANSPORTATION, LLC, a North Carolina limited liability company, with its principal office located in Lenoir, Caldwell County, North Carolina, (hereinafter called "Lessee");

WITNESSETH:

1. Demise of Premises. Lessor leases unto Lessee the real property and the building thereon (hereinafter called "Premises") which is located in the City of Lenoir, Caldwell County, North Carolina, subject to the Reservations set forth herein, and described more particularly as follows:

The improvements and lands located within the property described in Book 1094, at Page 1690, and located northwest of the Public Works/Public Utilities Office Building and including the paved parking areas, the Garage Building and the rear parking area, but excluding the Used Oil Containment Building. See attached map of leased area which is incorporated herein by reference.

2. Term of Lease.

A. The original term of this Lease shall be for One (1) year and the commencement date shall be January 1, 2023. If requested, the parties shall execute a short form Memorandum of Lease in recordable form containing such matters as the parties may agree upon including, however, as a minimum, the commencement date and the expiration date (which date shall be One (1) year from said commencement date).

B. This lease is subject to certain Reservations by Lessor as set forth below:

a. In the area designated on the attached map, Lessor retains the exclusive right and option to use the wash bay and equipment in the Garage Building on Wednesday of each week. Lessee agrees to not interfere with Lessors use of the Garage premises on Wednesdays. Lessor staff will exercise due care and diligence in the use of the wash bay.

b. In the area designated on the attached map, Lessor retains the right to have parking and storage in the paved parking areas for its Public Works/Public Utilities Office Building including an area adequate to install a covered shed and including an adequate physical area sufficient to construct a chain link fence, installation of additional gates, and new secondary traffic patterns throughout the facility. Lessor agrees to cooperate with Lessee in carrying out such reservations should Lessor determine such reservations are necessary.

c. In the area designated on the attached map, Lessor retains the right to have secure storage of new rollout garbage carts on the demised premises. Such secure storage shall be inside an Enclosed Material Storage Trailer (53 ft) which shall be provided by Lessee at no cost to Lessor.

3. Rentals.

Lessee shall pay rental to Lessor at a rate of One Thousand Five Hundred (\$1,500.00) Dollars per month or \$18,000.00 per year. Rental shall be due and payable in twelve (12) equal monthly installments of One Thousand Five Hundred (\$1,500.00) Dollars each, in advance, on the first (1st) day of each calendar month for and during the term.

In addition, Lessee shall carry, at its own expense, policies of property insurance with extended coverage insuring Lessee's personal property located on the premises against loss or damage to its furnishings, fixtures, inventory, equipment and other property situated or placed upon, in or about the Premises with companies and in amounts acceptable to itself.

4. Acceptance of Premises. Lessee acknowledges that the act of taking possession of the premises shall constitute acceptance thereof and conclusive evidence that Lessee has inspected and examined the entire premises and utility installations and that the same were, and are, in good and satisfactory condition, and Lessee accepts the same "as is".

5. Assignment or Subletting. Lessee shall not have the right to assign the Lease or to sublet the Premises in whole or in part without the prior written consent of Lessor. If Lessee is a corporation, then the passage of control of Lessee to parties other than those who presently control Lessee, as of the date of this Agreement, shall constitute an assignment of this Lease.

6. Compliance with Legal Requirements. Both parties shall comply with all the legal requirements of any governmental or quasi-governmental body including City, County, State or Federal boards having jurisdiction thereof, respecting any operation conducted or any equipment, installations or other property placed upon, in or about the Premises. Both parties shall neither create nor permit the creation of any nuisance upon, in or about the Premises, and neither shall not make any offensive use thereof.

7. Utilities. Lessee shall pay for all water and sewer services consumed or used on the Premises. Lessor shall pay for electricity and gas service to the premises. The lack of availability or failure of utility service shall not be deemed constructive eviction.

8. Additions, Alterations, Changes and Improvements. Lessee shall not make, nor have the right to make any alterations, changes or improvements, structural or otherwise, in or to the Premises without Lessor's prior written consent. If such consent is given, all such alterations, changes and improvements, shall be promptly made in a workman-like manner, be promptly paid for allowing no liens to attach either to the Premises or to Lessor's interest therein, and shall become the property of Lessor at the termination of this Lease Agreement. Lessor shall have the right to require Lessee to provide such assurances as Lessor shall reasonably require (such as bonds, escrows, etc.) to protect Lessor against unpaid-for work.

9. Repairs. Lessor shall not be responsible for making any repairs including

structural repairs and repairs of a capital nature to the exterior walls and to the roof. Lessee shall at its own expense keep and maintain all the premises and all parts and systems thereof including all repairs to windows and/or plate glass, and all utility installations and equipment (including repairs of a capital nature), in good maintenance, replacement and repair, properly painted and decorated. All repairs shall be performed in a prompt, workman-like manner, shall be promptly paid for by Lessee and no liens shall be allowed to attach either to the Premises or to Lessor's interest therein. Other than as specifically stated herein, Lessor has no obligation to make any repairs.

10. Safe and Sanitary Conditions. Lessee shall not permit, allow or cause any act or deed to be performed upon, in or about the premises which shall cause or be likely to cause injury to any person or to the Premises, the building or improvements located thereon, or to any adjoining property. Lessee shall at all times keep the premises in a neat and orderly condition and keep the premises and the entryways, parking areas, sidewalks and delivery areas adjoining the premises clean and free from rubbish, dirt, snow, standing water and ice.

11. Trade Fixtures. Lessee shall be permitted to install trade fixtures on the premises. In addition, Lessee shall be permitted to remove said trade fixtures installed during the term of this lease from the premises upon the termination of this Lease Agreement; provided that if Lessee does so remove such trade fixtures, it shall return the Premises to the same condition as existed at the time of the original entry, ordinary wear and tear excepted. This provision is not intended to allow Lessee to remove approved structural improvements by Lessee to the Premises. All such improvements belong to Lessor at the termination hereof and shall not be removed or damaged by Lessee's removal of its trade fixtures. If Lessee does not remove the trade fixtures at termination, Lessor shall have the option either to declare such fixtures abandoned and shall become the owner thereof or to demand that Lessee remove the same at its own expense, returning the Premises to the condition required herein.

12. Lessor Not Liable for Damages or Injuries. Lessor shall not be responsible to Lessee or any other person, firm, partnership, association or corporation for damages or injuries by virtue of or arising out of burst water pipes, leaks from sprinkler or air conditioning systems, leaks from the roof, or by virtue of earthquakes, riots, windstorms, overflow of water from surface drainage, rains,

water, fire or by the elements or acts of God, or by the neglect of any person, firm, partnership, association or corporation. Lessee shall indemnify and hold Lessor harmless from any and all claims for damages to person or property to the full extent permitted by law.

13. Indemnification. Both parties covenant to indemnify and hold the other party harmless from the claims of any and all persons, firms, partnerships, associations or corporations for personal injury or damage to property or both arising out of or in connection with either parties' use and/or occupancy of the Premises. In addition, Lessee shall carry public liability insurance in the minimum amount of \$1,000,000.00 bodily injury per occurrence, and \$500,000.00 property damage per occurrence, and Lessee shall deliver to Lessor a memoranda of the policy of such coverage with a company satisfactory to Lessor and which names Lessor as additional insured therein.

14. Fire or Casualty. If, during the term of this lease, the Premises shall be partially destroyed (as that term is herein defined) by fire or other casualty, Lessee shall have the right to terminate this Lease Agreement. If this option is not exercised by Lessee, Lessor may, in its sole discretion, effect the required repairs and reconstruction of the Premises. If Lessor elects to make the repairs or reconstruction, during such time as said repairs or reconstruction are being made, the rentals hereinabove provided shall not abate. Any other provisions contained herein notwithstanding, Lessor shall be required and obligated to effect repairs or reconstruction only to the extent of any sums of money, if any, which are received by Lessor under insurance coverage as a direct result of said fire or other casualty.

15. Waiver of Subrogation. Neither Lessee nor anyone claiming by, through, under or in Lessee's behalf shall have any claim, right of action or right of subrogation against Lessor or based upon any loss or caused by fire, explosion or any other casualty (not limited to the foregoing) relating to the premises or any property upon, in or about the Premises, whether such fire, explosion or casualty shall arise from the negligence of Lessor, their agents, representatives or employees, or otherwise.

16. Subordination to Mortgages. This Lease Agreement and the rights of Lessee are subordinate to and shall be subordinate to the lien of any mortgage or deed of trust (hereafter called "Mortgage") whether such Mortgage is a lien on the

Premises or hereafter becomes a lien on the Premises and no further agreements or documents shall be required to render this Lease and Lessee's rights subordinate to such Mortgage. Lessee shall at all times upon request of Lessor promptly furnish documents stating that this lease is in full force and effect, that no defaults of Lessor exist, and such other matters as are customarily contained in what is known as an "estoppel letter" or a "good-standing letter". Should Lessee fail to deliver such documents within 10 days of Lessor's request therefor, Lessor shall be deemed Lessee's attorney-in-fact for the purpose of executing such documents in the name of Lessee.

17. Inspection. Lessor shall have the right at all reasonable times to enter and inspect the Premises.

18. Condition of Premises Upon Termination. Upon the termination of this Lease Agreement, Lessee shall return the Premises to Lessor substantially in the same condition as when received ordinary wear and tear and approved improvements excepted.

19. Holding Over. In the event Lessee remains in possession after the expiration of the Term without the execution of a new lease, Lessee shall not acquire any right, title or interest in or to the Premises. In such event, Lessee shall occupy the Premises as a tenant from month-to-month and shall otherwise be subject to all of the conditions, provisions and Obligations of this Lease agreement insofar as the same shall be applicable.

20. Default. Each of the following events shall constitute a default or breach of this lease by Lessee:

- a) The filing of a petition in bankruptcy or insolvency or for reorganization under any bankruptcy act or the making of general assignment for the benefit of creditors.
- b) Involuntary proceedings under any bankruptcy or insolvency act instituted against Lessee, or if a receiver or trustee shall be appointed for all or substantially all of the property of Lessee and such proceedings are not dismissed, or the receivership or trusteeship vacated within 10

days after the institution or appointment;

c) Failure to pay rent when the same shall become due and a continuing failure to pay rent for 10 days after notice thereof from Lessor to Lessee. For purposes hereof, all funds due from Lessee shall constitute rental whether denominated as rental or otherwise elsewhere herein;

d) If Lessee fails to fully perform and comply with each and every condition and covenant of this Lease Agreement, and such failure of performance continues for a period of 30 days after notice thereof;

e) Vacates or abandons the Premises;

f) If the interest of Lessee is transferred, levied upon or assigned to any other person, firm or corporation whether voluntary or involuntary except as herein permitted;

21. Remedies In Event of Default. In the event of any default hereunder as set forth in the foregoing Section 20, Lessor shall be entitled to re-enter and re-take the Premises and exercise all their rights under the laws of the State of North Carolina.

22. Breach. Upon any breach hereof, regardless of what such breach is or if such breach becomes, an "event of default", either party shall be reimbursed by the other party for any reasonable attorney's fees incurred in connection with such breach.

23. Waiver. No failure to exercise any rights hereunder to which Lessor may be entitled shall be deemed a waiver of the right to subsequently exercise same. Lessee shall gain no rights nor become vested with any owner to remain in default under the terms hereof by virtue of Lessor's failure to timely assert rights. No waiver of an acceleration of rentals, regardless of how often occurring, which Lessor chose to ignore by thereafter accepting rental or other performance by Lessee shall constitute a waiver of the right to thereafter accelerate rentals.

24. Law Applicable. This Lease is entered into in North Carolina and shall

be construed under the laws, statutes, and ordinances of such jurisdiction.

25. Severability. The provisions hereof are independent covenants and should any provision or provisions contained in this Lease be declared by a court or other tribunal of competent jurisdiction to be void, unenforceable or illegal, then such provision or provisions shall be severable and the remaining provisions hereof shall remain at Lessor's option in full force and effect.

26. Easements, Restrictions and Right of Way. The Premises are demised subject to all easements, restrictions and right of way legally affecting the Premises.

27. Binding Effect and Complete Terms. The terms, covenants, conditions and agreements herein contained shall be binding upon and inure to the benefit of and shall be enforceable by Lessor and by their respective heirs, successors and assigns. All negotiations and agreements of Lessor and Lessee are merged herein. No modification hereof or other purported agreement of the parties shall be enforceable unless the same is in writing and signed by Lessor and Lessee.

28. Rental Payments. All rental payments, unless otherwise designated in writing, shall be made to Lessors at such place as Lessor may from time to time designate in writing.

29. Lessor's Performance of Lessee's Covenants. Should Lessee, after seven days' notice from the Lessor, fail to do any of the things required to be done by it under the provisions of this Lease, Lessor, in addition to any and all other rights and remedies, may (but shall not be required to) do the same or cause the same to be done, and the amount of any money expended by Lessor in connection therewith shall constitute additional rental due from Lessee to Lessor and shall be payable as rental on the date for payment of rentals next following such expenditure.

30. Covenant of Title and Quiet Enjoyment. Lessor covenants and warrants to Lessee that they have full right and lawful authority to enter into this Lease for the term hereof and provided Lessee is not in default hereunder, Lessee's quiet and peaceable enjoyment of the Premises shall not be disturbed by anyone claiming through Lessor.

31. Construction. This Lease shall not be construed more strictly against either party regardless of which party is responsible for the preparation of the same.

To the Honorable Mayor and City Council

January 28, 2022

City of Lenoir
PO Box 958
801 West Avenue NW
Lenoir, NC 28645

We are pleased to confirm our understanding of the services we are to provide City of Lenoir for the year ending June 30, 2022. We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component unit, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements, of City of Lenoir as of and for the year ending June 30, 2022. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement City of Lenoir's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to City of Lenoir's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis
- 2) Schedule of Changes in total Pension Liability-Law Enforcement
Officers' Special Separation Allowance
- 3) Schedule of Total Pension Liability as a Percentage of Covered Payroll
- 4) Proportionate Share of Net Pension Liability (Asset)
- 5) City of Lenoir's Contributions-Local Government Retirement System
- 6) Schedule of Changes in Total OPEB Liability and Related Ratios

We have also been engaged to report on supplementary information other than RSI that accompanies City of Lenoir's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements:

- 1) Schedule of Expenditures of Federal and State Awards.
- 2) Combining and Individual Fund Schedules
- 3) Schedules of Revenues, Expenditures, and Changes in Fund Balances-Budget and Actual

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

- 1) Schedule of Ad Valorem Taxes Receivable
- 2) Analysis of Current Tax Levy-City-wide Level
- 3) Schedule of Cash and Investment Balances
- 4) Capital Assets Used in the Operation of Governmental Funds
- 5) Statistical Section

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on—

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our report will be addressed to the Honorable Mayor and City Council of the City of Lenoir. We will make reference to other auditors of City of Lenoir ABC Board in our report on your financial statements. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the

areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, an unavoidable risk exists that some material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal and state award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures—Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal and state award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of City of Lenoir's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an

opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal and state statutes, regulations, and the terms and conditions of federal and state awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of City of Lenoir's major programs. For federal and state programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on City of Lenoir's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal and state awards, and related notes of City of Lenoir in conformity with U.S. generally accepted accounting principles and the Uniform Guidance based on information provided by you. These non-audit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal and state awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You agree to assume all management responsibilities relating to the financial statements, schedule of expenditures of federal and state awards, and related notes, and any other non-audit services we provide. In connection with this engagement, we may communicate with you or others via email transmission. As emails can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed and only to such parties, we cannot guarantee or warrant that emails from us will be properly delivered and read only by the addressee. Therefore, we specifically disclaim and waive any liability or responsibility whatsoever for the interception or unintentional disclosure of emails transmitted by us in connection with the performance of this engagement. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of email transmissions, including any consequential, incidental, direct, indirect, or special damages, such as loss of revenues or anticipated profits, or disclosure or communication of confidential or proprietary information.

Engagement Administration, Fees, and Other

We understand that your employees will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal and state awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of C. Randolph CPA, PLLC and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the Local Government Commission or its designee, a federal or state agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of C. Randolph CPA, PLLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Local Government Commission. If we are aware that a federal and state awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

We expect to begin our audit in approximately mid-August and to issue our reports no later than October 31, 2022. Cynthia D. Randolph is the engagement CPA and is responsible for supervising the engagement and signing the reports.

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will not exceed \$14,000. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your

personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

You have requested that we provide you with a copy of our most recent external peer review report and any subsequent reports received during the contract period. Accordingly, our 2018 peer review report accompanies this letter.

Our audit engagement ends on delivery of our audit report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

We appreciate the opportunity to be of service to City of Lenoir and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

D. Financial and Administration

1. Finance Director Donna Bean reviewed the Financial Summary as of December 31, 2021. She stated the City is in good financial shape and remains on track with its budget. The over/under balance in the General Fund is \$4,191,281.75, Downtown District (\$57,506.65), and Water & Sewer Fund \$1,493,957.03.

A copy of the December financial summary is attached to these minutes as information.

Director Bean stated the City is on target with its budget and has expended 50% for expenditures from the General Fund and revenue projections are at 71%. She also reported sales tax revenue is up 16%. In addition, Director Bean pointed out revenue is up by \$1,204,216.53 from the previous year.

Director Bean shared the Downtown District expenditures have increased due to salaries and the account is over budget at this point of the year by \$21,000 due to events and salaries. She pointed out the tax rate for the Downtown District was lowered by \$0.05 last year.

The Water and Sewer Fund is on target with its budget and expenditures are down. The over/under balance in the fund is \$1,493,957.03.

2. ARPA Funding Discussion and One-time Bonus Consideration: Director Bean reviewed the background information regarding the American Rescue Plan Act (ARP) which was signed into law in March 2021. The legislation included the first directive to municipalities, non-competitive formula-based grants from the US Treasury in history. Two tranches of funding are being paid directly to the City of Lenoir totaling approximately \$3.8 million. This amount is about 13.5% of the City's total operation budget this year. She reported the first payment was received in May 2021 and the second payment is expected in May of 2022. In addition, the deadline for dedicating the ARP funds is set for December 2024 and the deadline for expending the funds is set for December 2026.

Director Bean reported that recently, the US Treasury provided the Final Rule identifying acceptable uses of the funds. The final rule is less restrictive than the interim rule and allows the City to utilize funding for general governmental services. The broad categories include COVID response and economic assistance, certain essential worker payroll expenses, premium pay, revenue replacement, and investments in water and sewer.

Director Bean reviewed a pie chart for the City's Preliminary Spending Plan. The plan developed by City Staff focuses spending around three major areas of investment: infrastructure, premium pay and general governmental services under the revenue replacement guidelines. Next, she explained that this plan focuses spending around achieving the existing strategic priorities of the City by investing infrastructure and enhancing existing public services provided by the City. Director Bean emphasized that investments in these areas is where we can achieve the greatest impact. They are as follows:

- Premium Pay	\$692,200
- Greenway Expansion & Upgrades	\$200,000
- Master Planning	\$200,000
- Cyber Security & Software	\$300,000
- Future Grant Matches	\$500,000
- Fire Truck	\$700,000
- Automated Garbage Truck	\$300,000
- Water & Sewer Project	\$942,491

Director Bean stated the above expenditures would be completed in two phases and reiterated they address City Council's priorities. The total amount for Phase I and Phase II is \$3,834,691.00. Also, Director Bean pointed out these items meet federal and state guidelines regarding how this funding may be spent.

Ms. Bean discussed the Us Treasury guidelines which allows for premium pay to be retroactive or prospective pay and it may either be in the form of a pay increase or a bonus. Government Units may provide premium pay retroactively, dating back to the start of the public health emergency on January 27, 2020.

To be eligible, the employee must have regular in-person interactions or regularly handle physical items that were handles by others. An individual who teleworked from a residence may not receive premium pay for the time teleworking.

Information was presented regarding the history of the American Rescue Plan Act (ARPA) which was signed March 11, 2021, and allows ARPA funds to be used and/or supplement operating funds for "premium pay" to those performing essential work during the pandemic. City Manager Hildebran stated that similar Premium Pay Plans have already been approved by the City of Hickory, Caldwell County Schools, Caldwell County, City of Newton, and the Town of Granite Falls.

Director Bean discussed the guidelines for Premium Pay which are:

- Available to full-time and part-time employees, from January 27, 2020, the start of the public health emergency through January 27, 2022 (24 months). The Premium Pay Policy covers 255 full-time and two part-time employees.
- Full-time employees: payment of \$100/month for each month worked since January 27, 2020, with a maximum of \$2,400 per employee who is actively employed as of February 11, 2022.
- Part-time employees: payment of \$50/month for each month worked since January 27, 2020, with a maximum of \$1,200 per employee who is actively employed as of February 11, 2022. Part-time employees must work an average of 20 hours per week to be eligible.
- Pay is subject to 401K (LEOs only), retirement, and FICA taxes.
- Total cost to the City, utilizing ARPA Funds, is approximately \$692,220.00 budgeted to cover premium pay and benefits.
- Employees will receive the Premium Pay through a special payroll that will be processed on Friday, February 11, 2022. Employees will receive a separate payroll remittance advice for the Premium Pay.

She stated that if City Council approves the request today to move forward with the Premium Pay, any necessary budget amendments would be submitted for approval at the next Council meeting on Tuesday, February 1, 2022.

A discussion was held regarding how the funding is allocated. City Manager Hildebran reiterated that the above listed items are items the City can legally allocate the funding for while meeting all state and federal guidelines as well as serving the biggest purpose for the City.

Director Bean discussed the fact that City of Lenoir employees have continued to provide essential services to citizens throughout the pandemic and there has been no disruption to City-provided essential services, since the start of the public health emergency since January 27, 2020 or even during EO 121, Stay at Home order that was issued by Governor Cooper on March 27, 2020, which defined government employees as "essential workers".

Motion (Premium Pay)
